Step-1:Brainstorm,Idea Listing and Grouping

Step-2:Idea prioritization

Importance

If each of these tasks could get done without any difficulty or cost, which would have the most positive impact?

Feasibility

Regardless of their importance, which tasks are more feasible than others? (Cost, time, effort, complexity, etc.)

Sticky notes on grid:
- Vacancies are updated in realtime
- Job with better atmosphere
- Provide or suggested only trusted jobs
- The user able to find a job they like
- Provide or suggested only trusted jobs
- The user able to determine skill

TIP

Participants can use their cursors to point at where sticky notes should go on the grid. The facilitator can confirm the spot by using the laser pointer holding the **H key** on the keyboard.
